INDEPENDENT AUDITOR'S REPORT

To the Members of

ANEMONE HOLDINGS PRIVATE LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of M/s Anemone Holdings Private Limited, which comprise the Balance Sheet as at March 31, 2016, Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2016, its loss and its cash flows for the year ended on that date.

"Annexure – B" to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **ANEMONE HOLDINGS PRIVATE LIMITED** ("the Company") as of 31 March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

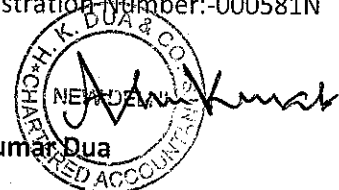

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

i. Basis of Accounting & Convention

The financial statements are prepared under the historical cost convention, in accordance with the Indian Generally Accepted Accounting Principles (GAAP), to comply with the accounting standards specified u/s 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014, relevant pronouncements of the Institute of Chartered Accountants of India (ICAI) and the provisions of the Companies Act, 2013. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy either to in use.

ii. Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Examples of such estimates include provision for assets and estimated useful life of fixed assets. Actual results could differ from these estimates. Adjustments as a result of differences between actual and estimates are made prospectively.

iii. Current/Non-current classification

All assets and liabilities are classified as current and non-current.

a. Assets

An asset is classified as current when it satisfies any of the following criteria:

It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;

It is held primarily for the purpose of being traded;

It is expected to be realized within 12 months after the reporting date; or

It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

b. Liabilities

A liability is classified as current when it satisfied any of the following criteria.

It is expected to be settled in the Company's normal operating cycle;

It is held primarily for the purpose of being traded;

It is due to be settled within 12 months after the reporting date; or

emo ne Holdings Private Limited
Note 1: Significant Accounting Policies

The Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

Current liabilities includes current portion of non-current financial liabilities. All other liabilities are classified as non-current.

iv. Revenue Recognition

Professional Fees

Income from Professional Fee is accounted for on accrual basis for services rendered.

Interest:

Revenue is recognized on time proportion basis taking into account the amount outstanding and the revenue can be reliably measured.

Dividend:

Revenue is recognized when the company's right to receive payment is established by the balance sheet date.

v. Expenditure

Expenses are recognized on accrual basis and provisions are made for all known losses and liabilities.

vi. Interest expense

Interest on borrowings is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable on the borrowings.

vii. Employee benefits

No provision for retirement benefits has been made in the books, as the amount of liability as on date, if any, has not been ascertained

viii. Fixed assets

a. Tangible assets

Tangible assets are stated at the cost of acquisition or construction, less accumulated depreciation and impairment losses. Cost comprises the purchase price and any attributable costs of bringing the assets to their working condition for intended use. Borrowing costs directly attributable to acquisition or construction of fixed assets, which necessarily take a substantial period of time to be ready for their intended use are capitalised as part of the cost of such assets to the extent they relate to the period till such assets are ready to be put to use.

A handwritten signature in black ink, consisting of a long horizontal stroke followed by a smaller, more complex stroke.

A handwritten signature in black ink, consisting of a large, stylized loop followed by a vertical stroke.

Depreciation on tangible assets

In respect of tangible assets acquired during the year, , depreciation is charged on Straight Line Basis so as to write off cost of assets over useful lives and for assets acquired prior to April 1, 2014, the carrying amount as on 1st April 2014 is depreciated over remaining useful life. The useful life of assets is taken as prescribed in Schedule II to the Companies Act, 2013.

b. Intangible assets and its amortisation

Intangible assets are recorded at cost and are amortised over the period the Company expects to derive economic benefits from their use.

ix. Impairment

The carrying amounts of assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the asset is estimated. For assets that are not yet available for use, the recoverable is estimated at each balance sheet date. An impairment loss is recognised whenever the carrying amount of an asset or cash generating unit exceeds its recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortisation, if no impairment loss had been recognised.

x. Investments

Investments are classified into long-term investments and current investments based on intent of the management at the time of making the investment. Investment intended to be held for more than one year from the date such investments are made are classified as long-term investments. All long-term investments are classified as non-current investments in the Balance Sheet. The portions of long-term investments which are expected to be realized within twelve months from the Balance Sheet date are classified as current investments. Current investments are valued at lower of cost and market value, computed category-wise e.g. quoted shares, unquoted shares, government securities and non-government securities/bonds. The diminution in current investments is charged to the Statement of Profit and Loss and appreciation, if any, is recognized at the time of sale.

xi. Foreign currency transactions

Transactions in foreign currency are recorded at the exchange rates prevailing on the date of the transaction. Exchange differences arising on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss. Monetary assets and liabilities denominated in foreign currency are translated at year-end rates and resultant gains/losses on foreign exchange translations other than in relation to acquisition of fixed assets and long term foreign currency monetary liabilities are recognised in the Statement of Profit and Loss.

A handwritten signature or scribble consisting of a large, stylized loop with a small arrow pointing to the right.

xii. Current and deferred tax

Income-tax expense comprises current tax and deferred tax. Current tax expense is the amount of tax for the period determined in accordance with the income-tax law and deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the period. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and written down or written-up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised.

xiii. Provisions, contingent liabilities and contingent assets

A provision is created when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

The Company does not recognise assets which are of contingent nature until there is virtual certainty of realizability of such assets. However, if it has become virtually certain that an inflow of economic benefits will arise, asset and related income is recognised in the financial statements of the period in which the change occurs.

xiv. Earnings per share

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed using the weighted average number of equity and dilutive potential shares outstanding during the year, except where the results would be anti-dilutive.

xv. Operating leases

Lease payments under operating lease are recognised as an expense on a straight line basis over the lease term.

xvi. Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.
